In my experience there is nothing more welcoming than being invited into the home of a friend or loved-one. It says so much to me to know that thoughtful preparations were made in anticipation of my visit.

As a House and Garden sponsor you have taken this gesture of friendship a giant step further supporting Alberta Ballet's signature fundraising event. House and Garden welcomed thousands of Calgarians into amazing homes this past June. Your support was recognized in the homes and takeaway gifts.

I had the incredible opportunity of bringing a group of my friends on the tour, and in a word, the experience was incredible. The homes were warm and welcoming, and your support was evident.

I want to take a moment to personally thank you for your kindness and support of Alberta Ballet. As you may know, this is the ballet's largest fundraising event of the year. And, 2010 House and Garden has once again proved to be a resounding success.

Thank you again for your support of the event from me personally, from my friends and from so many appreciative Calgarians.

Sincerely,
