## PRESS RELEASE

FOR IMMEDIATE RELEASE

# 2010 SAM AWARDS *Finalists Announced*

Canadian Home Builders' Association – Calgary Region is proud to announce the full list of finalists for the 2010 SAM Awards.

The SAM Awards, now in its 24th year, celebrate innovation and excellence in the Calgary and area's residential construction industry.

The winners will receive their awards at the SAM Awards Gala on *Saturday, April 16, 2011* at the Telus Convention Centre. The top 5 finalists will be featured during this evening, with the exception of the Sales Achievement Awards, where the 10 nominees receive acknowledgement.

"CHBA - Calgary Region received 544 outstanding entries this year." says Carol Oxtoby, Co-Chair of the SAM Awards Committee, "These all represented some of the finest and most innovative works undertaken in our industry over the competition period."

Her counterpart, Shane Wenzel continues, "When you consider that during challenging economic times companies made every effort to stand out from each other, you get a sense of the high caliber of entries that are competing."

What does this mean to the consumer? From suppliers of products to service providers, the trades, builders and developers; each feels the pressure to produce or provide innovative new products, concepts and services to compete with each other and capture the attention of the industry, media and consumers. This is how the SAM Awards feed the industry's highly competitive and innovative spirit. New homes, new communities and virtually every component of each have evolved substantially over the years.

You can safely assume that popular features found in new homes today were once unique new features included in a SAM Award entry.

Canadian Home Builders' Association – Calgary Region presents the following SAM Awards categories (the number of awards in each category follows in brackets): Advertising & Marketing Awards (8), Developer Awards (2), Industry Achievement Awards (1), Multi-Family Awards (9), New Home Awards (15), Partner Awards (6), Renovator Awards (6), Sales Achievement Awards (3), Sales & Information Centre Awards (2), and the GRAND SAM Awards (5). GRAND SAM Awards are presented to the Builder, Renovator and Partner that have demonstrated a superior achievement in design, sales, advertising and/or service.

A listing of all the finalists and the breakdown of the individual categories is attached.
