PRESS RELEASE

FOR IMMEDIATE RELEASE

2009 SAM AWARDS *Finalists Announced*

The Canadian Home Builders' Association – Calgary Region is proud to announce the full list of finalists for the 2009 SAM Awards.

The SAM Awards, now in its 23rd year, celebrate innovation and excellence in the Calgary Region home building industry.

The winners will receive their awards at the SAM Awards Gala on *Saturday, April 17, 2010* at the Telus Convention Centre. The top 5 finalists will be featured during this evening, with the exception of the Sales Achievement Awards, where all nominees receive acknowledgement.

“This year’s entries were simply outstanding, particularly those of the Finalists,” says Carol Oxtoby, Co-Chair of the SAM Awards Committee.” Her counterpart, Shane Wenzel continues, “Our members may compete annually to outdo each other, but more significantly, what they consistently outdo is their own efforts year over year.”

What does this mean to the consumer? From suppliers of products to service providers, the trades, builders and developers; each feels the pressure to produce or provide innovative new products, concepts and services to compete with each other and capture the attention of the industry, media and consumers. This is how the SAM Awards feed the industry’s highly competitive and innovative spirit. New homes, new communities and virtually every component of each has evolved substantially over the years. You can safely assume that popular features found in new homes today were once unique new features included in a SAM Award entry.

The Canadian Home Builders' Association – Calgary Region presents the following SAM Awards categories (the number of awards in each category follows in brackets): Advertising & Marketing Awards (8), Developer Awards (3), Industry Achievement Awards (1), Multi-Family Awards (11), New Home Awards (16), Builders Choice: Partner Awards (6), Renovator Awards (6), Sales Achievement Awards (4), Sales & Information Centre Awards (2), and the GRAND SAM Awards (5). The GRAND SAM Awards are presented to the Builder, Renovator and Partner that have demonstrated a superior achievement in design, sales, advertising and/or service.

A listing of all the finalists and the breakdown of the individual categories is attached.

ABOUT THE CANADIAN HOME BUILDERS' ASSOCIATION – CALGARY REGION

The Canadian Home Builders' Association - Calgary Region is a network of professionals, building together a powerful voice that influences the future of residential home construction.

Membership is comprised of new home builders, renovators, developers, trade contractors, building material manufacturers and suppliers, lenders and other businesses operating in the residential construction sector.
